

COMPANY PROFILE

The Cleaning Company That Really Cares

Company Overview

We offer a full range of residential and commercial cleaning solutions designed to fit your schedule, space, and standards. Whether you need a one-time deep clean or regular upkeep, our trained professionals deliver spotless results—every time.

Established in 1997, we've grown organically into one of the leading cleaning & hygiene companies in Uganda, and today we employ over 200 staff.

Since our establishment, we have put in place systems to enable the company to offer quality services and to grow further.

We have offered our services to government institutions, schools, hotels, hospitals, industries and private individuals.

We are members of Uganda Pest control Association (UPCA) and Association of Cleaning Companies of Uganda (ACCU).
